The previous article in the Speech Preparation Series described how to select your speech topic and your core message.. This article describes how to support your core message with a speech outline, and provides numerous examples.This is the second step in the six-step speech preparation process.. Writing an outline is,

unfortunately, a step that many skip.

A cover letter, though not a compulsion for application for any job, is an extremely useful tool which can be used by prospective applicants to give the interviewer or the employer a brief idea or a conception of their interest and the expertise level. The format of cover letter should be extremely formal and crisp and should contain a qualitative view of the resume attached.
