The journey to a differentiated classroom starts with small steps. Have you seen the movie What About Bob?, starring Bill Murray? Bob's psychiatrist tells him to take baby steps to get past his anxieties and fears. Bob repeats his "baby steps, baby steps" mantra as he embarks on a new adventure ...

Books by Richard Scarry changed over the course of their several editions, often to make them conform to changing social values. His Best Word Book Ever, which first appeared in 1963, was issued in 1980 as a "new revised edition" which altered images and text to remove material which could be perceived as offensive due to gender, racial, or religious misconceptions.

A magazine editor is a person who enjoys bringing new writing to the world in a publication that will be seen, read, appreciated, and talked about. This is the first fact anyone submitting to a magazine should understand. There may be two editors, or five, or a rotating group of a dozen student ...

Languages are a fundamental aspect of people's lives and the democratic functioning of society. In response to the needs identified in or by its member states, the Council of Europe has been working over the past few decades to compile a set of resources made available to education authorities and professionals and benefiting all Europe's citizens (see milestones).
