Anthony Giddens - Wikipedia

Risk society is the manner in which modern society organizes in response to risk. The term is closely associated with several key writers on modernity, in particular Ulrich Beck and Anthony Giddens. The term was coined in the 1980s and its popularity during the 1990s was both as a consequence of its links to trends in thinking about wider modernity, and also to its links to popular discourse ...

Hello! You have landed on this page because you were heading for one of the old websites made by me, David Gauntlett, in the distant past. Most of the stuff on sites like theory.org.uk™ and newmediastudies.com™ was 12-20 years old, and I kept it all on the internet for a long long time in case anybody really needed it, but I think that time has now gone.
