A Crucible Moment calls on educators and public leaders to advance a 21st century vision of college learning for all students—a vision with civic learning and democratic engagement an expected part of every student's college education. The report documents the nation's anemic civic health and includes recommendations for action that address campus culture, general education,

Understanding the promise of personalized learning. by Alex Hernandez. Personalized learning theory is built on the twin pillars of 1) differentiated learning pathways for students and 2) feedback that enables students to make informed judgments about what they've learned, how well they've learned it, and what to learn next.
