The NIGHT the GHOST GOT IN Plain fact is, the house I used to live in often assumed the strange cloaks of fantasy. There actually was a ghost (families in the house before we moved in, we learned later, had heard the walking around and the step on the stair). There also actually was a guinea pig that slept on a zither.

Ghost Map is a true triumph of the kind of multidisciplinary thinking for which he's become famous-a book that, like the work of Jared Diamond, presents both vivid history and a powerful and provocative explanation of what it means for the world we live in. The Ghost Map takes place in the summer of 1854.
