Jim Corrigan's status quo was changed when John Ostrander landed the job as writer to a new Spectre ongoing series. Jim Corrigan and the Spectre were now one once more, and he had moved out of his agency. Throughout Ostrander's tenure, Jim Corrigan started to come into conflict with the Spectre as he started to grow as a person.

Jim Corrigan - Wikipedia

The Spectre is the name given to several fictional antihero characters who have appeared in numerous comic books published by DC Comics. The character first appeared in More Fun Comics #52. He was created by Jerry Siegel and Bernard Baily, although several sources attribute creator credit solely to Siegel, limiting Baily to being merely the artist assigned to the feature.
