In addition to revealing how much inner work life matters to employees and thus, to companies, our research turned up three potent forces that support inner work life. In order of importance, they are: 1. Making progress

in meaningful work; 2. Receiving catalysts (things that directly help get the work done); and 3.

### **The Progress Principle: Optimizing Inner Work Life to**

So inner child, whether healthy or wounded, profoundly affects the overall expression of ourselves in the world. In addition, the term "inner child" points to a fundamental quality of authentic personality "experiencing oneself as a child" in relationship to Transpersonal Self or Self (Assagioli, 1965, 1973).

The book is about the Frames of Mind that enrich and support mastery and those that undermine and sabotage peak performance. What Gallwey, as a sports coach, discovered in his work was the Inner Game that is so obviously a set of meta-states that provide the key frame of mind for performance and excellence.
