

the life of nietzsche pdf

Friedrich Nietzsche (1844–1900) was a German philosopher and cultural critic who published intensively in the 1870s and 1880s. He is famous for uncompromising criticisms of traditional European morality and religion, as well as of conventional philosophical ideas and social and political pieties associated with modernity.

Friedrich Nietzsche (Stanford Encyclopedia of Philosophy)

Existential nihilism is the belief that life has no intrinsic meaning or value. With respect to the universe, existential nihilism posits that a single human or even the entire human species is insignificant, without purpose and unlikely to change in the totality of existence.
